### *Happy Spring! Fundraiser*

Dear Donor,

Thank you for participating in the Happy Spring! Fundraiser in partnership with Fielding Estates winery for the Welland Optimist Club. Your purchase helped to raise \$748.00 to support our organization in providing opportunities for youth in Welland, Pelham, and Fonthill.

The Welland Optimist Club is committed to “Bringing Out the Best in Kids” and our funds are allocated to community organizations that provide youth with opportunities to do just that! Your participation in the fundraiser will help us to continue: sponsoring high school students with annual bursaries; helping youth mental health organizations; donating to youth meal programs; supporting local youth sports organizations; providing funding for Scout troops; and other requests that align with our mandate to support youth in our community.

Your participation in the Happy Spring! Fundraiser is greatly appreciated.

Thank you!

Sincerely,

Welland Optimist Club
